

Fruit Picking

by Jack Ousbey

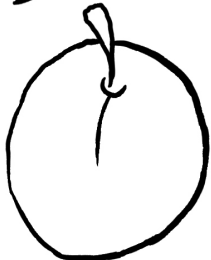

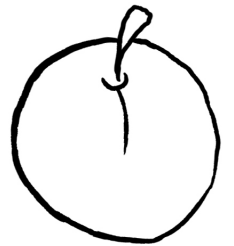

Raspberry, strawberry, gooseberry, plum,
Fruit picking time is really good fun;
Out in the field, in our hats, in the sun,
Raspberry, strawberry, gooseberry, plum.

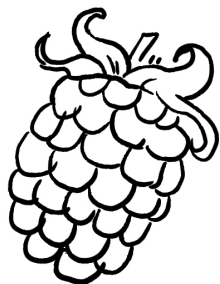

Gooseberry, strawberry, raspberry, plum,
Carefully picking with finger and thumb;

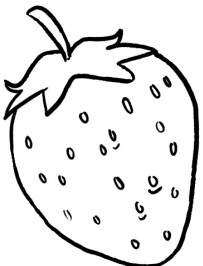

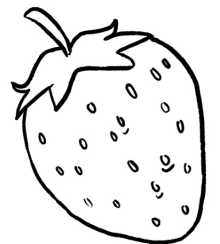

When the baskets are full our picking is done,
Gooseberry, strawberry, raspberry, plum.

Raspberry, gooseberry, strawberry, plum,
Here is a tune for pickers to hum;
Tap out the beat like the sound of a drum,
Raspberry, gooseberry, strawberry, plum.

Raspberry, strawberry, gooseberry, plum,
Now in our beds when night-time has come
We can think of our wonderful day in the sun,

Raspberry, strawberry, gooseberry, plum.
