

Motorway

by Marian Lines

Motorway – motorway – motorway,
Never stay – never stay – never stay,
Broad bridge ribbon overrides us,
Giant-strides us,
Manmade dinosaur, dwarfs us.

Motor-metal fleas fly by,
Whining car horns grow and die,
Skim the giant's broad black back,
White line,
Sign post,
Motor track.

Listen in your sleep, dream deep,
Hear him stamp his giant feet,
Beating, beating, street on street,
Motorway – motorway – motorway.
