

MOVE IT

by Linda Lee Welch

You can wiggle you can waggle
You can wobble you can hop
You can hover you can hobble
You can hang until you drop
You can swivel you can scramble
You can shimmy-shimmy hips
and you can slide, but don't slip
Slide, but don't slip

You can tumble you can totter
You can tickle you can leap
You can do the locomotion
You can linger you can creep
You can kick, yes you can-can
You can jive and you can skip
and you can slide, but don't slip
Slide, but don't slip.

You can scribble you can stutter
You can really rock and roll
You can rave and you can ramble,
you can bat and you can bowl
You can bump and bossa nova
You can bounce and you can grip
and you can slide, but don't slip
Slide, but don't slip.
