

# THE PIRATE

by Tony Mitton

I've got a  
telescope.

*(make a telescope with  
hands held to eye)*

I've got a parrot-bird.

*(wag hand on shoulder)*

I've got a  
treasure-map

*(make map with palms  
of both hands)*

which I won't  
show.

*(hide it to yourself)*

I've got a flag...

*(raise arm and waggle hand)*

with a skeleton  
face on.

*(cross arms and peer over the top)*

And I sing  
YO HO HO!

*(shout and wave clenched  
fist in the air)*
