Peg board

Recognise where a shape will be after reflection in two lines of symmetry

Work with a partner.

- Colour 12 pegs in the top left quadrant on your own sheet.
- Colour the reflection of your pegs in the vertical line of symmetry.
- Swap sheets with your partner.
- Colour the reflection of your partner's pegs in the horizontal line of symmetry.

You will need:

- four pencils in different colours

Start in this quadrant.
