

## Friday Fun Day Activities- Friday 12<sup>th</sup> February 2021

Enjoy these activities today as you have done so well with your remote learning this half term. The activities are linked to current and upcoming calendar events. There is no expectation to upload to Seesaw- just have some fun!

**Have a super half term everyone!**

### Valentines Jigsaws

*You will need a piece of paper, a pencil, some colours and some scissors.*

1. Draw a picture of someone you love.
2. Under your picture, write the words 'I love you to pieces!'
3. Cut your picture into 6 big pieces.
4. You have now made a lovely jigsaw for someone you love to complete. Pop it in an envelope and give it or send it to the person you have drawn. They can then make the jigsaw you have made for them!

### Design Your Dream Pancake

*You will need a piece of paper, colours, craft/collage bits.*

1. Imagine your ultimate pancake- think extravagant and unusual! Consider whether they would be thick or thin, round or a different shape, one pancake or a huge stack? Rainbow coloured perhaps?
2. What would you top your pancake with if you could use any ingredient in the world? Sweet or savoury?
3. Draw your pancake design and consider decorating it using collage or craft bits and pieces to represent your toppings.

### Chinese New Year Fireworks in a Glass Science Experiment

*You will need food colouring, warm water, oil, 2 empty glasses, fork*

1. Make sure your glass is clean
2. Pour the warm water into the glass until about  $\frac{3}{4}$  full
3. In the other glass add a few spoonfuls of oil and 4 drops of food colouring.
4. Add some different colours to the oil.
5. Using the fork, mix together the food colouring and the oil to spread the colours through the oil.
6. Finally pour the coloured oil into the warm water and watch the firework display begin!
