

Grimsargh St Michael's C of E Primary School

PSHE Policy

Let your light shine before people so that they may see your good works and glorify your Father in heaven (Matthew 5: v.16)

Inspiring, believing and achieving in our loving Christian community

Aim

To provide pupils with the knowledge, understanding attitudes, values and skills they need in order to reach their full potential as individuals and within the global community.

To encourage pupils to take part in a wide range of activities and experiences and understand how they are developing personally, emotionally and socially, tackling many of the spiritual, moral, cultural issues that are part of growing up.

Objectives/ Pupil learning outcomes

The PSHCE programme will support the development of the skills, attitudes, values and patterns of behaviour, which enable pupils to:

- Have a sense of purpose
- Value self and respect others
- Form positive relationships
- Make and act on informed decisions
- Communicate effectively
- Work with others
- Respond to challenge with resilience
- Be active citizens within the local community
- Explore issues and British Values related to living in a democratic society
- Become healthy and fulfilled individuals

The PSHCE Curriculum

PSHCE is part of our whole school ethos. It is understood that pupils must feel safe and secure before sensitive issues and opinions can be considered and shared. The school follows the national curriculum statutory guidance for the teaching of Health, Sex and Relationships Education (See SRE policy). PSHCE is also taught through Collective Worship themes.

The School Council and Eco Council form an important part of developing understanding in PSHCE in terms of demonstrating the democratic process and of helping develop a sense of responsibility in and for the school community.

The councillor's job of reporting pupils' views to the Headteacher promotes the understanding that the individual pupil's opinions will be heard and do matter.

Opportunities exist throughout the curriculum for promoting pupils' personal, social and emotional development. Class teachers teach PSHE as discrete subjects and plan opportunities for learning through:

- Circle time activities
- Opportunities for reflection
- Talk partners
- Role play games e.g. putting oneself in another's shoes
- Parachute and cooperation and trust games

Visitors are invited into school to deliver programmes as appropriate. For example, the School Nurse, the Community Police and the Fire Service as well as parents and professionals from the local community.

The scheme of work

Grimsargh St Michael's Primary has adopted the Coram Life Education and the units of work are allocated to terms and year groups as appropriate to ensure progression and coverage.

Each year group chooses either a 1-hour session fortnightly or a 30-minute session weekly (depending on the needs and suitability of the class) to teach discrete lessons covering appropriate topics and themes. Please see Appendix for the half termly units for each year group. Opportunities also exist across the wider curriculum to promote pupils' personal, social and emotional development.

Evaluation of the programmes' effectiveness will be conducted on the basis of:

- Pupil interviews about the content of lessons and the learning involved
- Staff meeting time to review and share experiences
- Assessment of pupil learning outcomes

Links with other policies

We recognise the clear link between PSHE and the following policies and staff are aware of the need to refer to these policies when appropriate

- Sex and Relationship Education (SRE)
- Teaching and Learning
- Equal Opportunities
- Child Protection
- Behaviour policy
- Anti- Bullying

Assessment Recording and Reporting

Pupils' attainment is judged at Grimsargh St Michael's as part of an ongoing process, through pupil discussion, observation and written work.

Assessment often takes place through the observation of how pupils apply their knowledge, skills and understanding in role play dramas and real experiences. A class book is kept as a record of children's contributions at circle times. Attainment in PSHE is reported to parents through the end of year written report. Governors are informed of any developments and attainment in PSHE through a subject leader report at the end of the academic year.

Training and support for staff

Staff are updated with and informed of new initiatives as necessary and through the monitoring processes any training and resource needs are identified by the coordinator which feeds into the annual subject leader action plan.

Covid 19 Update

As a result of the school closure due to Covid 19, the teaching of PSHCE will be prioritised as one of the 5 wider curriculum activities each week. PSHCE areas of learning will also be covered in Key Stage worships, class worships and whole class zooms as part of our termly collective worship themes. The teachers will follow the CORAM Scarf planning, as they would normally do in school, but will make changes to their planning and delivery if necessary to support the children's development at home. Photos of the children's work will be uploaded to Seesaw and the teacher will provide a combination of verbal and written feedback.

Policy Review

The policy will be reviewed on an annual basis.
