Eco club will continue with the current members on a Thursday from 3.25pm – 4.15pm. If any other children would like to join, please contact the school office. There will be no requirement to complete a form for this club.

If you are not able to access the form for the club you would like to sign your child up for, please contact the school office (via e-mail or phone). Mrs Garner/ Mrs Towers will add your child to a waiting list for that particular club for the summer term. If any child does not take up a place or does not attend without communication as to why, then the club leader will inform the parents/ carers of the child that unfortunately they no longer have a place in the club. The club leader will then refer to the waiting list and allocate places as necessary. Please only request a place for your child if they really want to attend- we do find that not all children who are signed up to a club attend and therefore could be taking the place away from a child who is keen to do so.

If your child is attending a sports club, they may attend school on that day in their PE kit. If the weather is bad, unfortunately some sports clubs may have to be cancelled and we will inform parents by text as soon as we are able.

Yours sincerely,

Mr S Booth
