Membership

The finance committee will be appointed by the full governing body/board. Whilst there is no statutory guidance on the number of individuals who should serve on the committee, the minimum number should be three so that there are enough members to hold a majority when voting on matters. It is recommended that the School Business Manager is co-opted to serve the governing body/board as they will be able to advise on financial considerations.

The Committee will elect a Chair from within its own membership or The Governing Body will elect the Chair of the Committee.

Only full members of the committee who have been approved by the full governing body/board will have the right to vote on any matters. The committee may decide to appoint non-voting members, as approved by the governing body/board, who are able to provide advice on matters relating to financial planning or monitoring.

Associate members may be members of the finance committee, but any voting rights will be agreed by the governing body/board – this decision should be recorded in the minutes of a full governing body/board meeting and reviewed on an annual basis as good practice.

The membership of the committee shall be reviewed and determined annually by the governing body. *The agreed membership of the committee is attached.*

Quorum

The quorum of the committee will be one half of the number of members within the committee, rounded up to the nearest full number. For example, if the committee consists of five members, a minimum of three members must attend the meeting to meet the quorum.

Meetings

The Clerk to the committee shall be responsible for convening meetings of the committee. Any meetings held must be minuted and the minutes presented to the next meeting of the governing body.

The committee will meet as often as is necessary to fulfil its responsibilities, including in relation to timescales outlined in the school's financial policies and procedures, but at least once per term.
