Year 1

PE Days

Monday and Tuesday- please ensure trainers are in school for our summer units (rather than pumps)

Welcome to our final term in Year One! We have had such a super year so far and we're looking forward to learning lots more. Hopefully the weather will be kind to us and allow us to take our learning outdoors a little more.

We will be enjoying another day out during this term- more details will follow soon.

Please direct any messages via the office– the beginning and end of the day are busy times and for safeguarding reasons, our attention needs to be focussed on the children which makes it difficult to take messages or have conversations.

As always, please ensure all items of uniform, coats, water bottles etc are clearly named so they can be reunited with their owner easily.

When the weather starts to get warmer, please ensure children are wearing sun cream before they come to school (the once a day type is ideal to avoid the need for reapplication) and that they bring a named sun hat to protect them when they are outside.

Do keep an eye on the school newsletter that is emailed every Friday. On it there are details of upcoming events, news and information.

Please also take time to digest the information about online safety that accompanies the newsletter and to discuss staying safe online, including what to do if something doesn't seem right.

Many thanks for your continued support,

Miss Threlfall and the Year One team x

MATHS

Number
Multiplication, fractions, place value within 100.
Geometry
Position and Direction
Measurement
Money, time

PHONICS

As you are aware, we have the Phonics Screening Check in June. Please have a look at our webpage for more information.
We will continue to learn and practise sounds in readiness for this.

COMPUTING

Coding
Animated Stories
Online Safety: Copyright and ownership, assessment and review

ART

Painting and mixed media- colour splash

LEARNING

PSHE

Being my best
Growing and changing

DT

Structures- stable structures

HOME LEARNING

Mathletics - will continue to be set weekly. This either links to the learning set in class or a recap from previous learning. Please help support your children by making this part of your home routine, but also make sure they are doing it themselves.

READING

Reading will always be of great importance in all learning. In class we are constantly reading whether it is TRIC (Teacher Reading in Class), Guided Reading, English lessons or 1:1 (to name a few). The staff talk to the children often about reading at home to help with their fluency, understanding of a text and to simply escape into a good book!

Please ensure you are reading with your child at least three times a week. Give the children 10 minutes of your time, each night, to showcase their skills and wow you! If you could then write in your child's diary we can celebrate their hard work.

We are always looking for anyone to support our learning. If you have a keen interest or experience in any of our future areas of learning, please let me know and I can incorporate a visit or any information you may have. Please keep your eye on social media platforms and our school website for information and photos that support and showcase the learning across school.

'Grimsargh St Michael's C of E
Primary School' on Facebook.

UNIFORM

As a school we are constantly ensuring high standards across school life. One of the areas that we are keen to focus on is school uniform. It is really important for children to wear the correct uniform; especially school shoes not trainers and no earrings. Please ensure PE tracksuit trousers are navy blue.

Please see our website for more details: <https://www.grimsargh-st-michaels.lancs.sch.uk/policies/>

DIARY DATES
