

Pupil Acceptable Use Policy Agreement

Foundation Stage/ KS1 (Years 1 & 2)

How We Stay Safe When Using Technology

- I will only use computers, tablets, websites, apps and AI tools that an adult says I can use.
- I will ask an adult if I need help or am unsure what to do.
- I will look after all technology and use it carefully.
- I will be kind and respectful when using technology.
- I will keep my personal information safe.
- I will tell an adult if I see anything online that worries, confuses or upsets me.
- I know that information online and answers from AI are not always correct.
- I will only download, change settings or use new apps if an adult says it is okay.
- I will follow my teacher's instructions when using technology.

I understand that if I do not use technology safely and responsibly, I may not be allowed to use it.

Parent/Carer Agreement

- I have read this Pupil Acceptable Use Agreement and will support my child in following these expectations at home and at school.
- I understand that Grimsargh St Michael's School takes reasonable precautions, including filtering and monitoring systems, to help keep children safe online whilst using school devices and systems.
- I understand that the school cannot guarantee my child's online safety when they are using technology outside school.
- I understand that my child's use of school systems and applications may be monitored in line with the school's safeguarding, behaviour and online safety policies.
- I will encourage my child to use technology, the internet and AI tools safely, responsibly and respectfully.
- I will support my child to protect personal information, think carefully about information they see online, and seek help from a trusted adult if they are worried or unsure.
- I will inform the school of any online safety concerns that may affect my child.
